Join us at the 12th Annual Hispanic Wellness Fair. It's free to the public. Each year the Fair provides a wide range of medical screenings including back-to-school immunizations; dental, eye, blood pressure, cholesterol, diabetes and body mass screenings; mammograms and cervical cancer screenings; information on HIV/AIDS; as well as social services and other relevant health information.

The Fair targets the Hispanic community but is open to everyone in need of healthcare services and education. Educational materials are also provided on a variety of health topics. The Fair grows larger every year with 15,000 to 20,000 attendees annually and more expected this year. Screenings include:

- Blood pressure checks
- Body fat analysis
- Cardiovascular education
- Cholesterol screenings
- Child safety information
- Dental screenings
- Depression screenings
- Diabetes screenings
- HIV/AIDS screenings
- Immunizations for children
- Mammograms and cancer screenings
